8. Mandatory Legal Authorizations & Consents (Sections 12.2 - 12.4)

' **1. Emergency Right of Entry Authorization (Section 12.2)**

[AGREED & AUTHORIZED]

Authorized AgeWellRI to enter the home during a scheduled visit if a technician has a reasonable belief that a medical emergency or safety crisis is occurring inside, use any available key/code, contact emergency services (911), and follow designated family contacts' instructions. AgeWellRI and technicians are held harmless for property damage (such as forced entry) or liabilities resulting from a good-faith emergency response — except in cases of gross negligence, recklessness, or willful misconduct.

' **2. Resident Autonomy & Refusal of Service Acknowledgment (Section 12.3)**

[AGREED & AUTHORIZED]

Acknowledged that AgeWellRI technicians respect the dignity, comfort, and personal boundaries of all residents. If a resident refuses entry, objects to a checklist item, or asks a technician to leave an area, the technician will immediately respect that and stop that part of the service. Refusal is not a breach of contract by AgeWellRI, the standard visit fee applies, and AgeWellRI is not liable for accidents caused by unaddressed hazards — except in cases of gross negligence, recklessness, or willful misconduct.

' **3. Automatic Recurring Monthly Billing Authorization (Section 12.4)**

[AGREED & AUTHORIZED]

Authorized AgeWellRI to automatically charge the saved payment method on file the flat monthly fee for the selected plan (\$295/month) on a recurring basis on the 1st of each calendar month. Cancellation can be completed anytime via client dashboard or by emailing agewellri@gmail.com with 30-day notice.

' **4. Electronic Signature & Records Disclosure (E-SIGN / UETA)**
